To the memory of MR. LOWELL GATTS, beloved and respected member of the Firelands faculty, the following pages are dedicated.

We, the students of the Firelands Area, are proud that Mr. Gatts was our teacher. Proud that he showed by example the way to true manhood, scholarship, and dedication to the finer way of life.

His untimely death took him from us--his pupils--from the work he loved so well--from his splendid family--and from a world that sorely needs men of his character and devotion.

Nothing we can say by way of memorial or dedication can excel the memorial he built for himself in our community; a memorial composed of fine young men and women made better and more steadfast because they knew him.

As a teacher, friend, and guide to us, he gave more than knowledge. He gave of that most precious commodity --himself.
